

BRITSAFE LEVEL 1

AWARD IN WORKPLACE TRANSPORT SAFETY

109/5318/1

Introduction:

The Britsafe Level 1 Award in Workplace Transport Safety provides foundational yet critical competence in identifying, managing, and mitigating transport-related risks within industrial and commercial premises. Designed for warehouse operatives, yard personnel, supervisors, and new entrants in transport operations, the course addresses the core principles of safe vehicle movement, segregation of pedestrians, signage protocols, traffic planning, and responsibilities under UK workplace transport regulations. Learners will engage with real-world scenarios involving forklifts, reversing vehicles, and loading operations, while also interpreting key obligations under the Health and Safety at Work Act and PUWER. This qualification equips participants with the knowledge and decision-making awareness needed to prevent collisions, manage loading bay hazards, and support a compliant transport safety culture in distribution centres, construction sites, ports, and logistics hubs. It is ideal for those who operate in environments where vehicle and pedestrian interactions present a daily safety challenge, and serves as a formal recognition of competence aligned with regulatory and industry standards.

Qualification Regulation and Support:

The Britsafe Level 1 Award in Workplace Transport Safety is a proprietary qualification developed and awarded by Britsafe™ Qualifications UK Limited to promote regulatory compliance and operational safety in transport environments.

Key facts:

Qualification Number:	109/5318/1
Minimum Contact Hours:	4
Guided Learning Hours:	4
Credit Value:	1
Credential Status:	Award
Assessment Method:	Multiple-choice examination

Qualification Overview and Objective:

The Britsafe Level 1 Award in Workplace Transport Safety is designed for individuals involved in workplace transport activities. Participants acquire knowledge and skills related to identifying risks, promoting safe practices, and using transport equipment. This qualification ensures compliance with legal requirements, contributing to a safer working environment for workplace transport.

The objective of the qualification is to:

- Understand the principles and importance of workplace transport safety.
- Identify common risks associated with workplace transport.
- Learn effective strategies for promoting safe transport practices.
- Gain knowledge of proper use of workplace transport equipment.
- Demonstrate compliance with legal requirements for workplace transport safety.

Entry Requirements:

To register for this qualification, learners are required to meet the following entry requirements:

- Must be aged 16 and over
- Participants should have a basic understanding of the English language to effectively engage with course materials and assessments.
- This course is open to individuals of all backgrounds and experience levels who have an interest in workplace health and safety.

Geographical Coverage:

This qualification is suitable for delivery in England, Northern Ireland, Wales and can be offered internationally.

Delivery/Assessment Ratios:

To effectively deliver this qualification, centres are recommended not to exceed the ratio of 1 Qualified Tutor to 12 Learners in any one instance. If centres wish to increase the recommended ratio, they must first inform your dedicated Britsafe™ accounts manager before doing so.

Centre Requirements:

To effectively deliver this qualification, centres should have the following resources in place:

- Classroom with suitable seating and desks; and
- High-quality teaching and learning resources.

Guidance on Delivery:

The total qualification time (TQT) for this qualification is 4-hours and of this 4-hours is recommended as guided learning (GL). TQT is an estimate of the total number of hours it would take an average learner to achieve and demonstrate the necessary level of attainment to be awarded with a qualification, both under direct supervision (forming Guided Learning Hours) and without supervision (all other time). TQT and GLH values are advisory and assigned to a qualification as guidance.

Guidance on Assessment:

This qualification is assessed through a multiple-choice question exam.

- Centre's must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.
- Centres must follow Britsafe™ Examination and Invigilation Procedures. Completed examination papers are to be returned to Britsafe™ for marking or If in case of online examination; records shall be updated on EMS portal accordingly.

Guidance on Quality Assurance:

Britsafe™ requires centres to have in place a robust mechanism for internal quality assurance. Britsafe™ will support centres by conducting ongoing engagements to ensure and verify the effective and efficient delivery, quality assurance and invigilation of the qualification.

Tutor Requirements:

Britsafe™ recommends nominated tutors for this qualification meet the following requirements:

- A relevant health and safety qualification at Level 3 or higher,
- Membership of a professional body (e.g., IOSH, IIRSM) is desirable.
- Hold a relevant subject area qualification/or be occupationally competent.
- Hold a recognized teaching/training qualification (or suitable equivalent).
- Level 3 Award in Education and Training (AET) or Train The Trainer.
