

BRITSAFE LEVEL 3

CERTIFICATE IN INTERNATIONAL AWARD IN TRAINING DELIVERY – TRAIN THE TRAINER

110/5320/3

Introduction:

The Britsafe Level 3 Certificate in International Award in Training Delivery – Train The Trainer is a specialist qualification designed for professionals seeking to develop and deliver high-impact training in accordance with global instructional best practices. This programme equips candidates with the pedagogical frameworks, facilitation strategies, and assessment methodologies essential for delivering effective, learner-centred instruction across diverse workplace contexts. Emphasising the principles of adult learning, the course focuses on the trainer’s ability to engage participants, manage group dynamics, and align delivery techniques with performance-based outcomes. It is particularly relevant for technical instructors, internal trainers, safety co-ordinators, and learning and development professionals responsible for capacity building and skills transfer in regulated industries. By embedding internationally recognised training models and emphasizing real-world instructional challenges, this award supports organisational learning goals while enhancing the professional credibility of trainers operating in global environments.

Qualification Regulation and Support:

The Britsafe Level 3 Certificate in International Award in Training Delivery – Train The Trainer is developed, assessed, and awarded by Britsafe™ Qualifications UK Limited. Its design and certification processes are governed by rigorous internal quality assurance and curriculum benchmarking protocols.

Qualification Overview and Objective:

The Britsafe Level 3 Certificate in International Award in Training Delivery - Train The Trainer is designed for individuals responsible for training in an international context. Participants acquire advanced skills in international training, considering cultural nuances and diverse audiences. This qualification ensures competence in the international train-the-trainer role, contributing to the development of effective and culturally sensitive training programs.

The objective of the qualification is to:

- Develop advanced skills in international training delivery.
- Acquire knowledge of cultural considerations in training.
- Learn effective strategies for engaging diverse audiences.
- Gain proficiency in designing and delivering international training programs.
- Demonstrate competence in the international train-the-trainer role.

Entry Requirements:

To register for this qualification, learners are required to meet the following entry requirements:

- Must be aged 16 and over
- Participants should have a basic understanding of the English language to effectively engage with course materials and assessments.
- This course is open to individuals of all backgrounds and experience levels who have an interest in workplace health and safety.

Geographical Coverage:

This qualification is suitable for delivery in England, Northern Ireland, Wales and can be offered internationally.

Delivery/Assessment Ratios:

To effectively deliver this qualification, centres are recommended not to exceed the ratio of 1 Qualified Tutor to 12 Learners in any one instance. If centres wish to increase the recommended ratio, they must first inform your dedicated Britsafe™ accounts manager before doing so.

Centre Requirements:

To effectively deliver this qualification, centres should have the following resources in place:

- Classroom with suitable seating and desks; and
- High-quality teaching and learning resources.

Guidance on Delivery:

The total qualification time (TQT) for this qualification is 20-hours and of this 20-hours is recommended as guided learning (GL). TQT is an estimate of the total number of hours it would take an average learner to achieve and demonstrate the necessary level of attainment to be awarded with a qualification, both under direct supervision (forming Guided Learning Hours) and without supervision (all other time). TQT and GLH values are advisory and assigned to a qualification as guidance.

Guidance on Assessment:

This qualification is assessed through a multiple-choice question exam.

- Centre's must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.
- Centres must follow Britsafe™ Examination and Invigilation Procedures. Completed examination papers are to be returned to Britsafe™ for marking or If in case of online examination; records shall be updated on EMS portal accordingly.

Guidance on Quality Assurance:

Britsafe™ requires centres to have in place a robust mechanism for internal quality assurance. Britsafe™ will support centres by conducting ongoing engagements to ensure and verify the effective and efficient delivery, quality assurance and invigilation of the qualification.

Tutor Requirements:

Britsafe™ recommends nominated tutors for this qualification meet the following requirements:

- A relevant health and safety qualification at Level 3 or higher,
- Membership of a professional body (e.g., IOSH, IIRSM) is desirable.
- Hold a relevant subject area qualification/or be occupationally competent.
- Hold a recognized teaching/training qualification (or suitable equivalent).
- Level 3 Award in Education and Training (AET) or Train The Trainer.
