

BRITSAFE LEVEL 2

AWARD IN FIRE SAFETY FOR MANAGERS

114/5331/2

Introduction:

The Britsafe Level 2 Award in Fire Safety for Managers is a targeted qualification designed to equip supervisory personnel and departmental heads with the core competencies necessary to manage fire safety responsibilities across diverse workplace environments. Developed in alignment with UK fire safety legislation, the course provides a structured framework for understanding fire risk assessment processes, enforcing preventative measures, overseeing evacuation protocols, and ensuring legal compliance across operations. Ideal for those with managerial oversight of teams, buildings, or safety systems, this qualification enables learners to interpret regulatory obligations, implement internal controls, and support a fire-resilient safety culture. It addresses the critical role of line managers in safeguarding life and property, supporting business continuity, and fulfilling statutory duties under fire safety law.

Qualification Regulation and Support:

The Britsafe Level 2 Award in Fire Safety for Managers is a proprietary qualification designed and awarded by Britsafe™ Qualifications UK Limited. It has been developed to reflect the specific legal, operational, and supervisory responsibilities of managers in workplace fire safety. The qualification is supported by sector-aligned learning outcomes and assessment standards.

Key facts:

Qualification Number:	114/5331/2
Minimum Contact Hours:	8
Guided Learning Hours:	8
Credit Value:	1
Credential Status:	Award
Assessment Method:	Multiple-choice examination

Qualification Overview and Objective:

The Britsafe Level 2 Award in Fire Safety for Managers is designed for individuals in managerial roles with fire safety responsibilities. Participants gain knowledge and skills specific to fire safety management, risk assessment, and emergency response. This qualification ensures compliance with legal requirements and prepares managers for roles requiring specialized knowledge in fire safety.

The objective of the qualification is to:

- Develop knowledge and skills specific to fire safety management.
- Identify and assess fire hazards and risks in managerial contexts.
- Learn effective strategies for fire prevention, evacuation, and communication.
- Gain proficiency in using fire safety equipment and managing emergency response.
- Demonstrate compliance with legal requirements for fire safety management.

Entry Requirements:

To register for this qualification, learners are required to meet the following entry requirements:

- Must be aged 16 and over
- Participants should have a basic understanding of the English language to effectively engage with course materials and assessments.
- This course is open to individuals of all backgrounds and experience levels who have an interest in workplace health and safety.

Geographical Coverage:

This qualification is suitable for delivery in England, Northern Ireland, Wales and can be offered internationally.

Delivery/Assessment Ratios:

To effectively deliver this qualification, centres are recommended not to exceed the ratio of 1 Qualified Tutor to 12 Learners in any one instance. If centres wish to increase the recommended ratio, they must first inform your dedicated Britsafe™ accounts manager before doing so.

Centre Requirements:

To effectively deliver this qualification, centres should have the following resources in place:

- Classroom with suitable seating and desks; and
- High-quality teaching and learning resources.

Guidance on Delivery:

The total qualification time (TQT) for this qualification is 8-hours and of this 8-hours is recommended as guided learning (GL). TQT is an estimate of the total number of hours it would take an average learner to achieve and demonstrate the necessary level of attainment to be awarded with a qualification, both under direct supervision (forming Guided Learning Hours) and without supervision (all other time). TQT and GLH values are advisory and assigned to a qualification as guidance.

Guidance on Assessment:

This qualification is assessed through a multiple-choice question exam.

- Centre's must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.
- Centres must follow Britsafe™ Examination and Invigilation Procedures. Completed examination papers are to be returned to Britsafe™ for marking or If in case of online examination; records shall be updated on EMS portal accordingly.

Guidance on Quality Assurance:

Britsafe™ requires centres to have in place a robust mechanism for internal quality assurance. Britsafe™ will support centres by conducting ongoing engagements to ensure and verify the effective and efficient delivery, quality assurance and invigilation of the qualification.

Tutor Requirements:

Britsafe™ recommends nominated tutors for this qualification meet the following requirements:

- A relevant health and safety qualification at Level 3 or higher,
- Membership of a professional body (e.g., IOSH, IIRSM) is desirable.
- Hold a relevant subject area qualification/or be occupationally competent.
- Hold a recognized teaching/training qualification (or suitable equivalent).
- Level 3 Award in Education and Training (AET) or Train The Trainer.

The background of the entire page is a photograph of three firefighters in full protective gear, including helmets and oxygen tanks, standing in front of a large fire. They are holding a hose that extends towards the flames. The scene is filled with smoke and fire, creating a dramatic and intense atmosphere. The entire image is overlaid with a semi-transparent red filter.
