

# **BRITSAFE LEVEL 4**

## **CERTIFICATE IN ADVANCED ENVIRONMENTAL MANAGEMENT**

**117/5342/4**

# Introduction:

The Britsafe Level 4 Certificate in Advanced Environmental Management is an in-depth qualification tailored for professionals responsible for shaping, implementing, and auditing high-level environmental strategies within the workplace. This course delivers a rigorous understanding of environmental management systems, pollution prevention, regulatory compliance, carbon reporting, and resource efficiency, equipping learners with the analytical and operational tools required to lead sustainability performance. Intended for environmental managers, safety leads, consultants, and compliance officers, the qualification aligns with UK and international frameworks, reinforcing the skills needed to influence policy, drive environmental improvement programs, and ensure organisational resilience in the face of evolving environmental obligations.

## Qualification Regulation and Support:

The Britsafe Level 4 Certificate in Advanced Environmental Management is a proprietary qualification designed, developed, and awarded by Britsafe™ Qualifications UK Limited. This Certificate is governed internally under Britsafe's autonomous quality assurance framework. All learning outcomes, assessments, and certification protocols are structured in accordance with Britsafe's approved qualification development model.

## Qualification Overview and Objective:

The Britsafe Level 4 Certificate in Advanced Environmental Management is designed for individuals responsible for advanced environmental management. Participants acquire advanced knowledge and skills in assessing complex environmental risks, developing comprehensive management plans, and coordinating environmental activities. This qualification ensures competence in advanced environmental management practices.

The objective of the qualification is to:

- Develop advanced knowledge and skills in environmental management.
- Identify and assess complex environmental risks and impacts.
- Learn advanced strategies for developing and implementing comprehensive environmental management plans.
- Gain proficiency in coordinating environmental management activities.
- Demonstrate competence in advanced environmental risk assessment and management.

## Entry Requirements:

To register for this qualification, learners are required to meet the following entry requirements:

- Must be aged 16 and over
- Participants should have a basic understanding of the English language to effectively engage with course materials and assessments.
- This course is open to individuals of all backgrounds and experience levels who have an interest in workplace health and safety.

## Geographical Coverage:

This qualification is suitable for delivery in England, Northern Ireland, Wales and can be offered internationally.

## Delivery/Assessment Ratios:

To effectively deliver this qualification, centres are recommended not to exceed the ratio of 1 Qualified Tutor to 12 Learners in any one instance. If centres wish to increase the recommended ratio, they must first inform your dedicated Britsafe™ accounts manager before doing so.

## Centre Requirements:

To effectively deliver this qualification, centres should have the following resources in place:

- Classroom with suitable seating and desks; and
- High-quality teaching and learning resources.

## Guidance on Delivery:

The total qualification time (TQT) for this qualification is 56-hours and of this 56-hours is recommended as guided learning (GL). TQT is an estimate of the total number of hours it would take an average learner to achieve and demonstrate the necessary level of attainment to be awarded with a qualification, both under direct supervision (forming Guided Learning Hours) and without supervision (all other time). TQT and GLH values are advisory and assigned to a qualification as guidance.

## Guidance on Assessment:

This qualification is assessed through a multiple-choice question exam.

- Centre's must take all reasonable steps to avoid any part of the assessment of a learner (including any internal quality assurance and invigilation) being undertaken by any person who has a personal interest in the result of the assessment.
- Centres must follow Britsafe™ Examination and Invigilation Procedures. Completed examination papers are to be returned to Britsafe™ for marking or If in case of online examination; records shall be updated on EMS portal accordingly.

## Guidance on Quality Assurance:

Britsafe™ requires centres to have in place a robust mechanism for internal quality assurance. Britsafe™ will support centres by conducting ongoing engagements to ensure and verify the effective and efficient delivery, quality assurance and invigilation of the qualification.

## Tutor Requirements:

Britsafe™ recommends nominated tutors for this qualification meet the following requirements:

- A relevant health and safety qualification at Level 3 or higher,
- Membership of a professional body (e.g., IOSH, IIRSM) is desirable.
- Hold a relevant subject area qualification/or be occupationally competent.
- Hold a recognized teaching/training qualification (or suitable equivalent).
- Level 3 Award in Education and Training (AET) or Train The Trainer.
